

The background of the slide is white with a border of orange dots. Scattered throughout are numerous orange and teal dots of various sizes, creating a festive, confetti-like effect.

# Village Community Programs Coloring Pages

Featuring a few of DaVita's Village Community Programs

# THE KIDNEY TRUST

The number of people with kidney disease keeps growing each year mainly because they don't get tested.

The Kidney Trust does free testing all over the country and provides assistance to those who are affected by the disease.

# WALL OF FAME

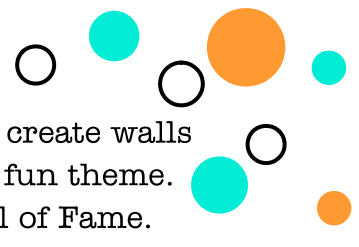

We want you to have fun too!  
Draw your Wall of Fame here!

At DaVita we like to have FUN!

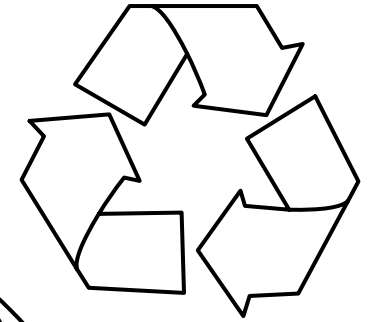

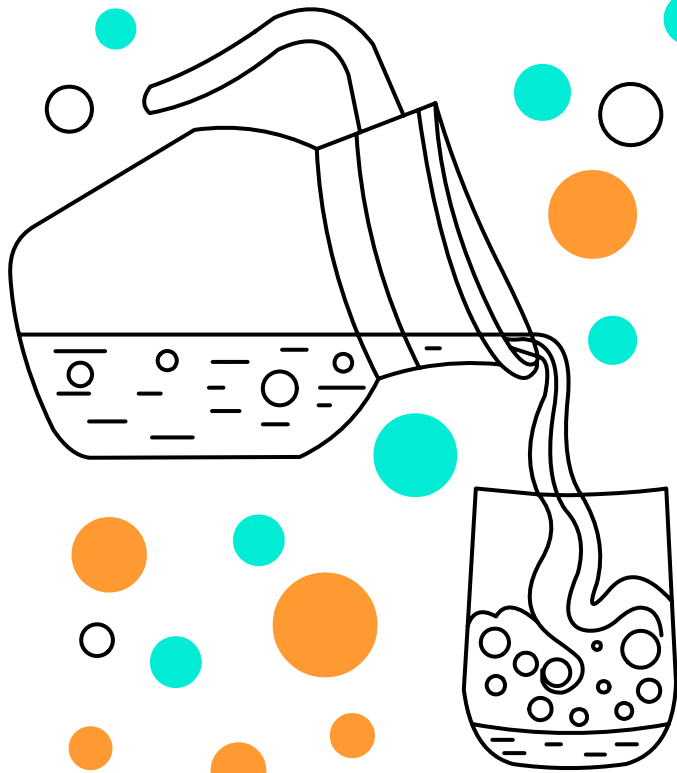

Teammates at each of our locations design and create walls to showcase themselves and our patients in a fun theme. Each year we have a contest for the best Wall of Fame.

# DaVita Village Green

EARTH FRIENDLY KIDNEY CARE

DaVita is **GREEN!** We do everything possible to be kind to our environment by recycling and composting. So far, we have saved over 985 trees and 387,640 gallons of water!

Think of all the baths you could have with that amount of water!

*Davita*  
**Kidney  
ROCK**

Teammates, families, community members and even our mascot KLAWS participates in the Kidney Awareness Walk. The 5K walk raises money for the Kidney Trust.

# Bridge of Life™

DaVita Medical Missions

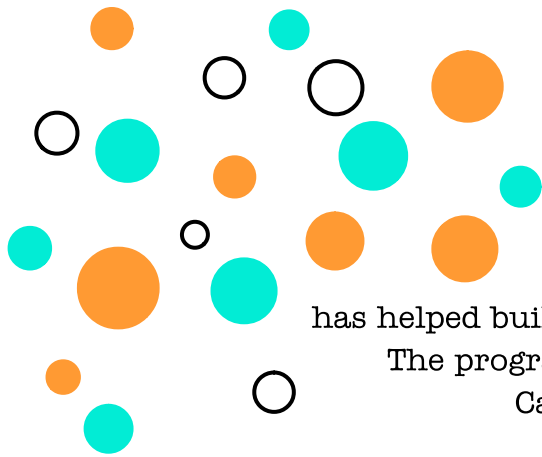

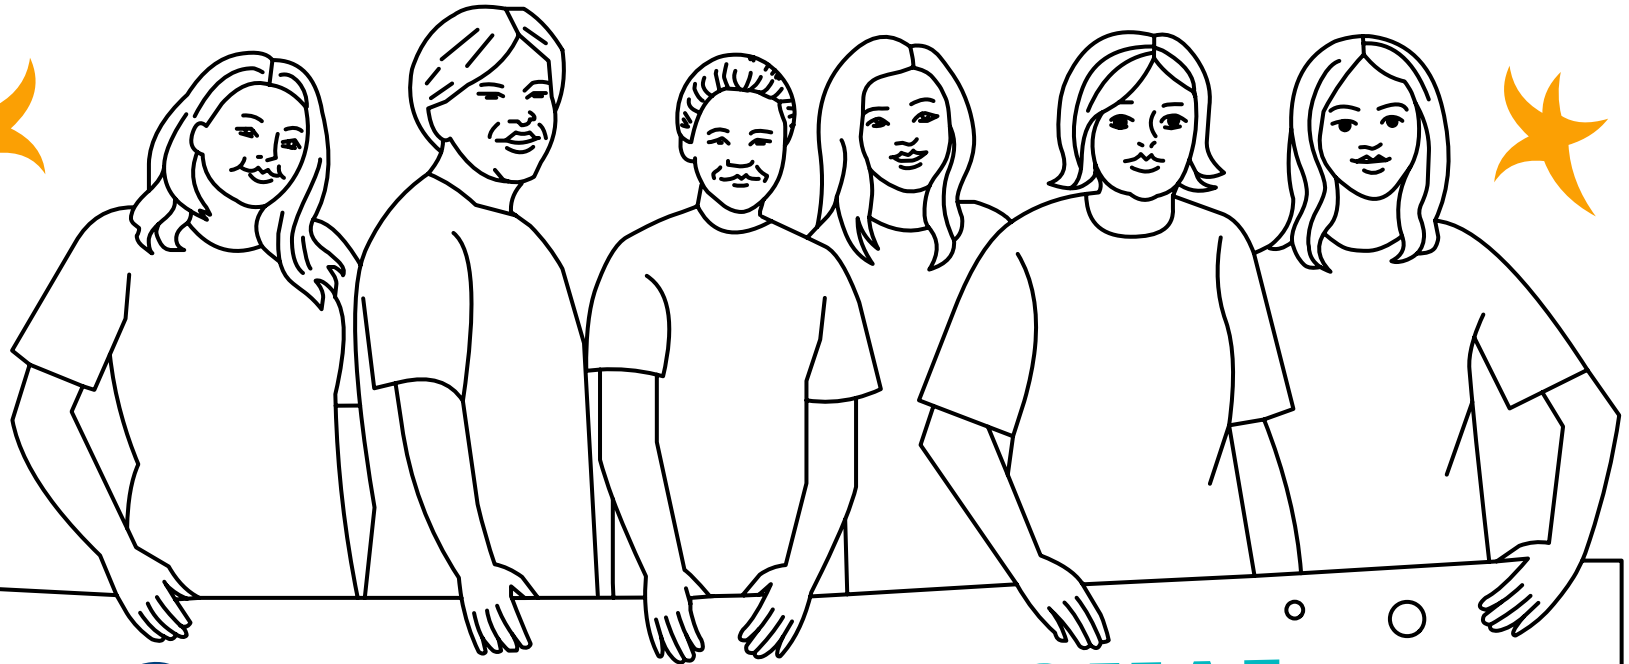

The Bridge of Life Medical Missions

has helped build dialysis clinics in areas that did not have them before.

The program has helped save lives in India, Ecuador, and the Philippines.

Can you draw what your Bridge would look like?

*DaVita*

**NATIONAL  
COMMUNITY  
CARE  
DAY**

Do you like going to your local parks, fixing things or helping a family in need?

We do! We devote at least one day a year as a Village to provide service,  
which we call National Community Care Day!

We have helped cleaned up parks, packed goody bags for the Armed Forces  
and assembled Thanksgiving dinners for families in need.

We are a Community First and a Company Second!
