A ride for HOPE and AWARENESS

# THE START OF TOUR DAVITA

Tour DaVita is in its 5th year and is a 3 Day, 250 mile bike ride. This year the tour starts in Great Barrington, Massachusetts and finishes up in Hartford, Connecticut. Our Mayor, Kent Thiry, kicks off each tour by leading riders out of the starting line.

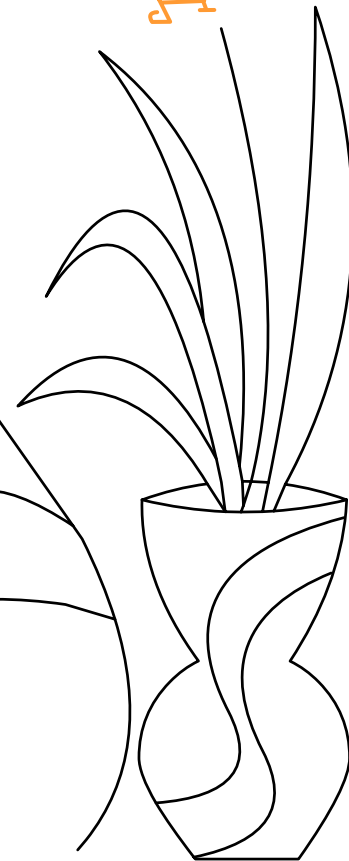

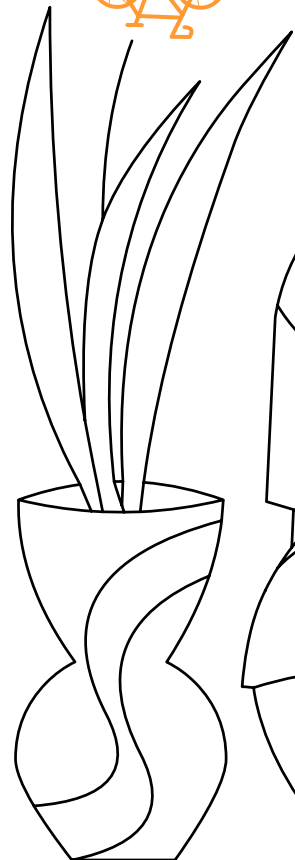

Tour DaVita riders include Teammates, their families, patients and friends of the Kidney Care community. In 2010 there were 390 individuals who participated in the event and raised nearly \$700,000. The money raised from the event helps The Kidney Trust with continuing to educate the public about chronic kidney disease by providing free screenings and financial assistance to dialysis patients.

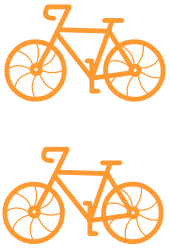

Riders are greeted by cheering crowds motivating them to finish each stage of the ride.

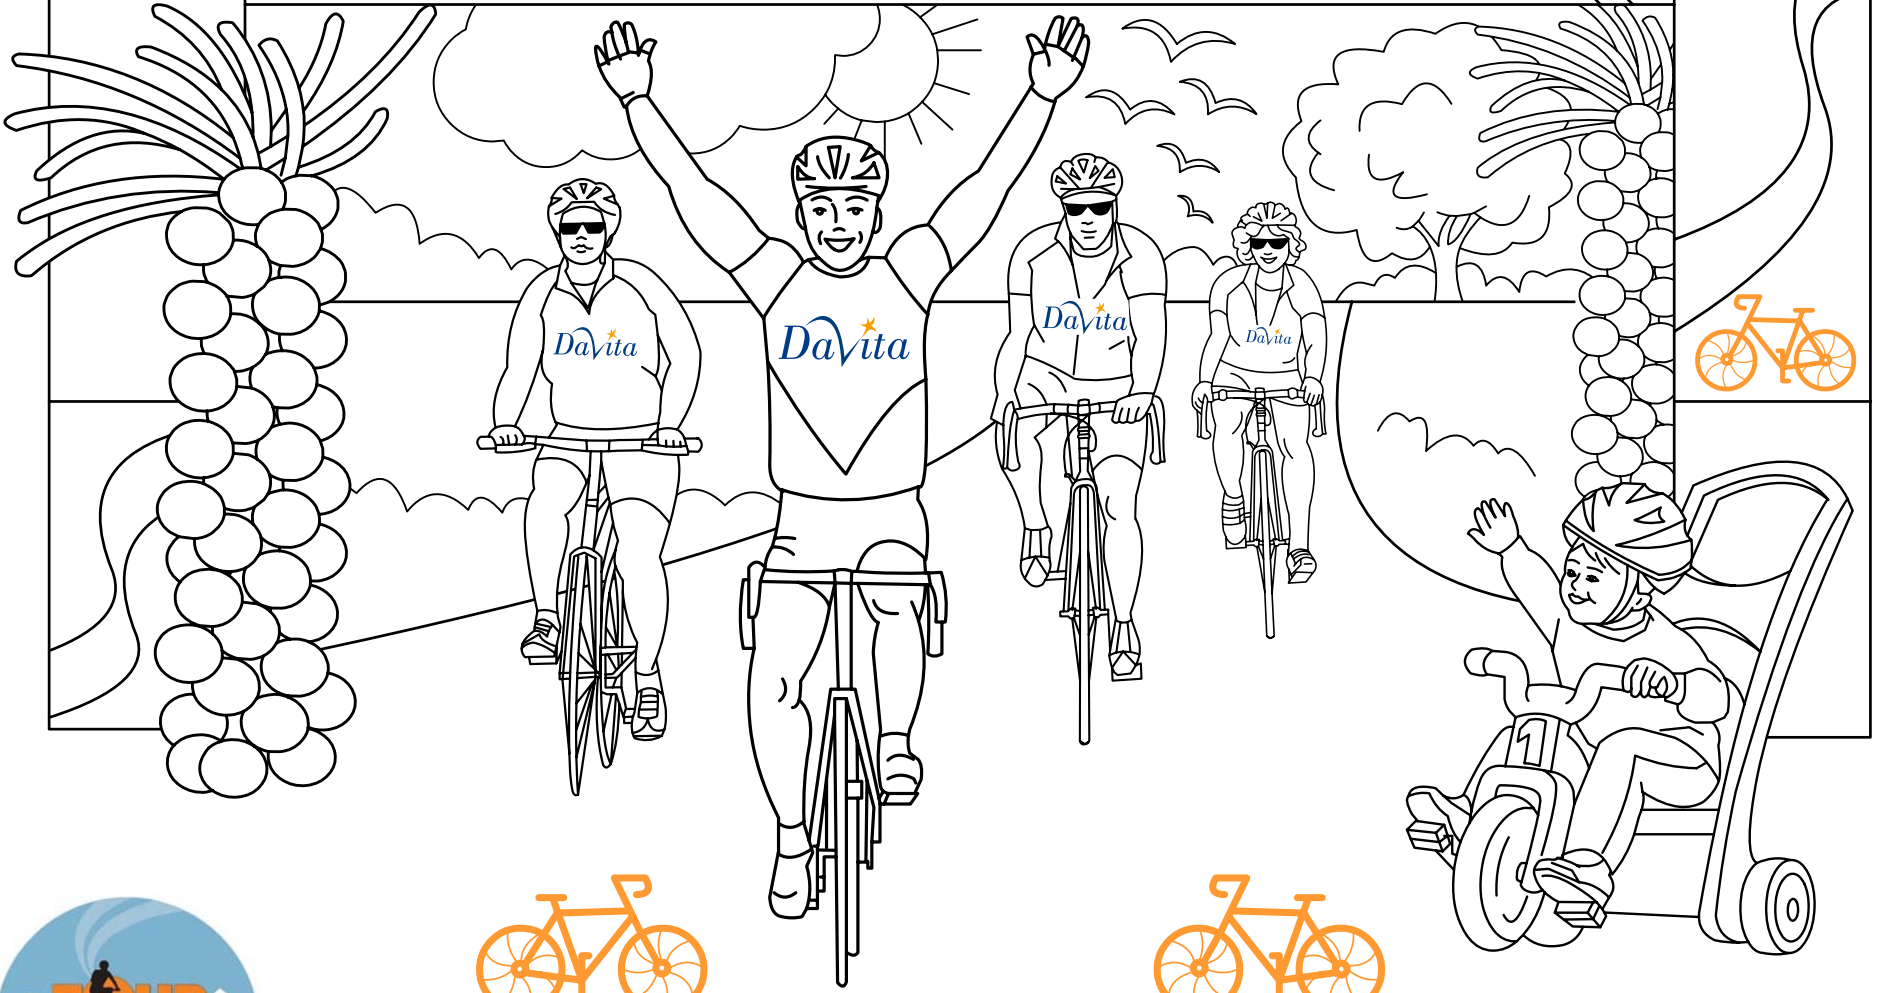

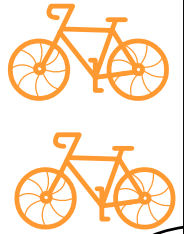

During the tour the riders will stop along the way at local DaVita clinics to meet with patients. It is a motivating and inspiring moment for riders as they know they are riding for a good cause!

# YOU DID IT!

Crossing the finish line is an amazing sense of accomplishment!

## Good Luck to 2011 Tour DaVita Riders!
